

Manufacturing/Industrial Fact Sheet

Mechanical Systems Services

We Understand Facilities

ThermaServe has been helping the Manufacturing and Industrial community by providing HVAC and Chiller services that meet your requirements. We understand your facility and can provide you with experience and competency. Customer Service is what we are about, and give to you. We can be part of your technical staff supporting your HVAC systems by providing service programs, repairs, and energy efficient retrofits or replacements for existing systems.

As an independent mechanical contractor we have the knowledge, training, and experience to work on a wide variety of manufactures products including:

Facilities Include:

- Energy Production
- Kraft Linerboard Mill
- Medical Devices
- Defense Manufacturing

Services Include:

- Extended Service Programs
- Emergency Service
- Repairs
- Energy Efficient Retrofits
- Energy Efficient Replacements
